

Tangle Video Downloader Crack+ Free Download [2022-Latest]

- No more boring videos to watch - Save hours of time - Save videos with all the right settings - Save from YouTube, Tangle, and DailyMotion - Supports HD Tangle Video Downloader is a lightweight but quick application that allows you to download videos from YouTube, Tangle, and DailyMotion in just a few clicks. There are three main modes that you can choose from to download videos (automatic, manual, and stop). Furthermore, you can choose the link source and video type, as well as set the quality of the file and video playback, if needed. Features: - No more boring videos to watch - Save hours of time - Save videos with all the right settings - Save from YouTube, Tangle, and DailyMotion - Supports HD Tangle Video Downloader is a streamlined and user-friendly application that makes it possible for you to download videos from video-sharing websites such as Tangle, YouTube, GodTube, Myspace, and DailyMotion, just to name a few. Simple installation and streamlined user interface Regarding its installation, there's really not much to say, except that it is a very straightforward process. Upon first launching the application, you are bound to discover a compact main window with a slightly-outdated user interface. There are three main UI sections that are worth mentioning, the top part is the place where you can add the links to the videos that you want to download, the middle section allows you to choose the download location and the video's quality and format, while the bottom section is the place where you can manage the download progress. Straightforward set of features Within the latter section, you can start, stop, or remove video download sessions, as well as play the already completed videos. Please note that the application provides you with the possibility to save videos to a broad range of formats, such as AVI, MPEG, WMV, MP4, MOV, MP4, 3GP, and 3G2. Furthermore, you should also know that the app allows you to download videos in normal or HD quality and that it can automatically download videos once the link is added in the specific field, just look for the appropriate checkboxes. Download videos from YouTube, Tangle, and DailyMotion with no more than a few clicks Taking everything into consideration, Tangle Video Downloader is a lightweight application that offers a quick and hassle-free way of downloading videos from some of the
