Information about Duplicate File Finder Pro 2.21 with Keygen Version: 2.21 Requires: 1.19 (or above) Released: 04/02/2020 License: Shareware File size: 4.33 MB Price: $20 There is known, existing key but this key not active. Information about dupfind-p12: dupfind-p12 (v1.8) from a developer; doesn't have a dupfind-p12-setup.exe file, but it's a basic disk space analyzer only. Its Help file doesn't indicate the latest version available. Help file doesn't mention about the latest version of the program. It's the most popular version without crack. dupfind-p12 (v2.9.0) from IzeMagic is the most up to date version. However this version only has the following serial number: Version: 2.9.0 Requires: 4.0 (or above) Released: 01/09/2013 License: Pro File size: 5.29 MB Price: $34 We can't get the serial number for IzeMagic's version. If we try to install the newer version using the serial number above, i.e., "dupfind-p12 (v2.9.0)" but we don't have serial number of "dupfind-p12-setup.exe", we got the following message: Runtime Error Message: The Setup application on this computer returned an error. Please, try again. Actually we do have serial number for the older version, but it's not correct. i.e., "dupfind-p12 (v1.8)", but with this serial number the setup file is not found at all. If we try to install the older version using the serial number above, i.e., "dupfind-p12 (v1.8)", we got the following message: Runtime Error Message: The Setup application on this computer returned an error. Please, try again. Also, from some of our friends, i.e., "manfred.martin", we got the following message which was caused because serial number was incorrect. Could anyone please help me to install the older version (1.8) via serial number. i
