#### Introduction to ELDEN RING

The excited anticipation of the community for the Elden Ring fantasy action RPG has kept us heads down working on a bunch of new stuff. It's time we got our hands dirty.

Ginny and Torrance have been faithfully working on the set up and promotion of The Elden Ring, but we're ready to take this project up a notch. We're happy to announce that near-complete chapter one is almost ready for the final patch. Soon, we'll be releasing a big update for update 0.4. Please expect a closed beta of update 0.5 in the next few weeks, and when the beta is over we will release update 0.6 in a matter of weeks. And before that, we will be releasing a patch after the closed beta.

Work on Chapter Two will commence next. The stories inspired by Chapter One are so awesome, we're already planning on raising Chapter Two's difficulty level higher to prepare the characters

#### What's new in Elden Ring:

□Difficulty□ Since this is an action RPG, play it during breaks with friends. Simply join a campaign and easily progress.

□Content□ -- The Ranks of the Lord Elden Lords are noble warriors and various companions. At the beginning of the game, you can choose whether to become a Lord and subsequently find yourself a unique set of equipment from the arms and armor as well as magic. As you raise your skills, gain experience, and gain favor with the nobles, you can become higher in prestige and status.

-- Full of Treasure Adornments such as runes, special colored armor, and the ranks of gauntlets and maces have various special effects. Their levels increase with the Lord's level. -- Equipment You can freely combine weapons, armor, and other items that best fit your play style, and you can also freely mix and match these items. If your compatible pair isn't available, use the special items that can change the properties of different items as tools. Even if you don't use a specific item, learn the properties of it and use it as a random tool.

□Online Play□ -- Six Difficulty Levels Sengoku Online currently has 6 difficulty levels and large numbers of game options. You can replay once on the lowest difficulty and play again on that difficulty plus levels four and five. Furthermore, you can play the story for various levels, depending on the situation.

□Online Matchmaking (Matchmaking within the same server)

Play and lead the powerful forces of the Lands Between with friends. • Share the Experience of RPG and Co-op Action Gameplay with Friends In addition to the co-op action RPG and multiplayer gameplay, Sengoku Online provides sharing and cooperation with friends. Create your own party to accompany you on quests and dungeons. Share the same idea or create a new party based on your play style and create a party full of fun.

□Features□ \* Create unique party members to take your style to a new level. \* Choose from various classes at the beginning of the game. These classes have their own strengths and weaknesses and can also be switched at any time.

\* Actions and Skills You can freely equip a large number of items, and if you equip weapons, armor, or special items, you can learn their effects and skills.
