System Requirements For ProcFormatica:

Windows XP SP2 or newer Processor: 2.0 GHz Dual Core Processor Memory: 4 GB RAM Graphics: DirectX 11 compatible Hard Drive: 1 GB available space DirectX: Version 11 Since this is a mod of TF2 that is working on a much more demanding game, a change was needed. This mod is still in its beta stages. Things will continue to get better and better as we progress. However, this mod does work on TF2. I can confirm this from experience, as I have played on the test
